language spoken in Germany

language spoken in France

the study of living things

the study of past events

the study of matter and energy

the study of the properties of matter and how matter changes

activities such as embroidery and pottery which involve making things with your hands in a skilful way.

**9 Read the letter quickly and answer the question.
What is the girl writing about?**

Hi Monica,

My name is Inna and my brother's name is Vlad. We're from Kyiv in Ukraine. We're twins and we're eleven. We're not identical twins, so we're not the same. We're different. We go to the same school and we're in the same class. Our English teacher is our class teacher.

My favourite subject is literature because I like reading very much. Vlad likes maths. He likes doing sums and solving problems. Both Vlad and I like sport. His favourite sport is basketball and I like football.

Our parents are from Poltava but they work in Kyiv. Our dad is a doctor at a hospital in Kyiv and our mum is a history teacher. She doesn't work in our school (and that's good!).

Write back soon,

Inna

10 Read the letter again and complete the sentences. Drag and drop the answers.

1 The girl's name is 

2 Her brother's name is 

3 Inna's favourite subject is 

4 Vlad's favourite sport is 

5 Their father is a 

6 Their mother is a 

11 Write about your family. Use the letter in Exercise 9 to help you.
