\_\_\_The streets of Dublin to Notre-Dame

\_\_\_Out of the ruins of hate and war

\_\_\_We'll build it better than we did before

\_\_\_We are the people we've been waiting for

\_\_\_We are the people we've been waiting for

\_\_\_We are the people of the open hand

\_\_\_Army of lovers never seen before

\_\_\_We are the people we've been waiting for

We are the people we've been waiting for

[Verse 2]

Broken *bells/church* and a broken *bells/ church*

Heart that *hurts/works* is a heart that *hurts/works*

From a broken *maze/place*

That's where the victory's *win/won*

'Cause you've faith and no fear for the fight

You pull hope from defeat in the night

There's an image of you in my mind

Could be mad but you might just be right

[Chorus]
