## Pulau Tioman: Pahang's Beautiful Island

### A. Read the text below

Pulau Tioman is one of the most beautiful holiday spots in Malaysia. It is located in Pahang. It has eight main villages around the island. They are surrounded by a lot of coral reefs underwater. The ferry is the main mode of transport to the island from Mersing and Rompin.

Furthermore, Pulau Tioman is an excellent spot for enjoyable activities such as scuba-diving, deep-sea fishing, snorkelling, boating, waterskiing, windsurfing, and enjoying the beauty of undersea gardens by travelling around the island on a boat.
