

# SO LONG FOR NOW

Listen and complete with the words

plan      OK      forever      can      again      friend      goodbye

So long for now,  
if not \_\_\_\_\_.  
We'll be good friends  
through all kids of weather.

Let's not say \_\_\_\_\_,  
let's say I'll see you later.  
Nice to see you here,  
so long for now.

Until we meet \_\_\_\_\_,  
remember you  
\_\_\_\_\_ do it.

Whatever it may be, if you put  
your mind to it.

You can do it. (you can do it)  
Yes, you can. (yes, you can)  
be a "can do". (be a can do)  
And make a plan. (and make a plan)

There may be miles between  
us and that will be \_\_\_\_\_,  
'cause you are in my heart,  
my \_\_\_\_\_,  
and that is where you'll stay!

This is not goodbye.  
Until we meet again!  
We will be friend forever,  
until the very end.

This is not goodbye
