

WAS / WERE

Remember:

Positive	
I	was
he	
she	
it	
we	were
you	
they	

I happy.

You..... in the park.

She at school.

We.....in college.

Today..... hot.

It strange for me.

People haggling in the market.

The library of Birmingham bigger.

THERE WAS / THERE WERE

There was/there were

There was an orange on the table.
There were some books on the shelf.

There a beautiful sunset last night.

There..... so many cars on the roads.

There so much rubbish in the grass.

There desks and chairs for all pupils.
