

# Third Conditional

- |                                        |                                                           |
|----------------------------------------|-----------------------------------------------------------|
| 1..... I wouldn't have overslept       | a. if you'd asked.                                        |
| 2..... If she had gone to bed earlier, | b. you wouldn't have been so stressed at the last minute. |
| 3..... I could have lent you the money | c. she wouldn't have been so tired.                       |
| 4..... They wouldn't have found out    | d. if you had studied medicine.                           |
| 5..... You could have been a doctor    | e. if my alarm clock had gone off.                        |
| 6..... If you'd been more organized,   | f. they wouldn't have had so many problems.               |
| 7..... If they'd taken my advice,      | g. if you hadn't told them.                               |
