The Notting Hill Carnival

By Tamsin Lucas

Every year in London there's a big celebration called the Notting Hill Carnival. The carnival is in August and the people in it celebrate Caribbean culture.

In the carnival there are big parades in the street and there's Caribbean food. People make costumes for the parades. They also play music and dance in the streets. It's noisy, but it's also friendly.

I don't usually wear a costume, but I always watch the parades. I also dance because I really like Caribbean music – it's a lot of fun.
