READING COMPREHENSION ACTIVITY

INSTRUCTION: Read the email and answer the questions below:

New Message

To: Luciana

Subject: best friends

Hello Lucy,

How are you? I am at a new school. My classroom is really cool. There is a big white board, a radio and a computer. The teacher's desk is blue color and all the chairs are yellow. My teacher gave me four orange notebooks and a red pencil case. In it, there are three blue pens, five black pencils, two erasers and a green ruler.

Also, my school timetable is really different from the one we used to have. On Mondays I have three classes. Language, History and Music. Tuesdays are more relaxed, I have just 2 classes, Math and Science. Wednesdays are really long. I have to attend to four classes. Art, English, Physical Education and Math again. But, on Thursdays and Fridays I have just one class per day. On Thursday, I have language and on Friday Science.

That's all for now. I hope to see you soon.

Richard
