With every step we take, Kyoto to the bay
Strolling so casually
We're different and the same
Gave you another name
Switch up the batteries

It's a shot in the dark

Know with all of your heart
You can't shame me
When I am with you
There's no place I'd rather be
No, no, no, no place I'd rather be

Tryin' to make his way home?

Seems like it was yesterday
when I saw your face
You told me how proud you were,
but I walked away

Sometimes I want to call you, but I know you
won't be there

Time after time

Time after time

Time after time
