family. Come and see what
we do...

Read about David and his family. Then click on TRUE or FALSE. (7x3 =21 pts)

We live in the countryside. On the farm children help out a lot! I help my father with the animals; we feed them every day. Every afternoon my sister and my mother collect eggs from the chickens for next day's breakfast. I sometimes pick the vegetables but my father usually picks the potatoes, carrots and tomatoes.

At home we do chores too. My sister makes the beds and I clean up the bedrooms. My mother usually makes breakfast and lunch and my father always cooks dinner. I never wash the dishes but I always take out the garbage.
