Julie's daily routine

Julie is ten years old and she lives in Oxford, England.

She **usually** gets up at a quarter to seven, she has a shower, she gets dressed and **then** she brushes her teeth. **After that**, she goes to the kitchen and has breakfast with her family. For breakfast she **usually** has milk, toast and biscuits. **Then** she brushes her teeth again because she wants them clean and healthy!

Then she takes her school bag and goes to school by bus. School starts at eight o'clock and finishes at half past four. She **usually** has lunch at the school canteen with her schoolmates at about 12 o'clock. Her best friend is Sue.

After school she goes back home and she does her homework. She is a very good student and she **always** does her homework! Her favourite subject is Art. After homework, she **usually** listens to music and watches television for a while or she plays with her dog **sometimes**.

At half past eight it is time for dinner. **Then** she **usually** reads a book or chats with her parents about her day.

Finally, she goes to bed at about eleven o'clock, but **before that** she brushes her teeth. Julie is a happy little girl!

Answer the questions.
