

## ***"Don't Be A Lawyer"***

(feat. Burl Moseley, Clark Moore)

(from "Crazy Ex-Girlfriend (Season 4)" soundtrack)

[JIM:]

Twenty years old, \_\_\_\_\_ smart kid

Didn't know what I wanted to do

So I took the LSAT

And just like that

I \_\_\_\_\_ at Glendale U

Everyone said it was a real safe \_\_\_\_\_

A \_\_\_\_\_ and lucrative vocation

So I set off on a journey

To become an \_\_\_\_\_

Without a moment's hesitation

But here's some free \_\_\_\_\_ I'm givin'

When it comes to decidin' what to \_\_\_\_\_

Don't be a lawyer!

Don't do it! \_\_\_\_\_ way to ruin your life

Don't be a lawyer!

Not \_\_\_\_\_ it! It'll \_\_\_\_\_ you dead inside

The job is inherently \_\_\_\_\_

That's why you've never met a lawyer who's happy

It's a guaranteed soul \_\_\_\_\_

Don't be a lawyer

\_\_\_\_\_ school debt

Daily \_\_\_\_\_

Is that really what you dreamed as a \_\_\_\_\_?

Or did you hope one day

That you'd find a way

To spend four years workin' on a \_\_\_\_\_ company's merger with another

\_\_\_\_\_ company?

Your only expertise

Is runnin' up \_\_\_\_\_

Speakin' legalese like a \_\_\_\_\_  
But it's not too late  
To \_\_\_\_\_ this fate  
Find any other job to pick

Sure, your parents \_\_\_\_\_ think you're a \_\_\_\_\_  
But no one's ever said, "First, let's kill all the \_\_\_\_\_."

Don't be a lawyer!  
I'm serious, it really, really \_\_\_\_\_  
Don't be a lawyer!  
No one you work \_\_\_\_\_ looks like Ally McBeal

There are so many other professions  
That don't \_\_\_\_\_ you \_\_\_\_\_ Jeff Sessions  
Just say no to the lawyer \_\_\_\_\_  
No, don't be a lawyer

[AJ:]  
What about human \_\_\_\_\_ law?

[JIM:]  
No money, no, no money

[AJ:]  
\_\_\_\_\_ law?

[JIM:]  
No money, even less money

[AJ:]  
Immigration law?

[JIM:]  
No money, plus it's a \_\_\_\_\_

[AJ:]  
Okay, but what if you \_\_\_\_\_ to the Supreme \_\_\_\_\_?

[JIM:]

It'd be great to be on the Supreme \_\_\_\_\_  
But you'll never be on the Supreme \_\_\_\_\_  
There's truly no chance of that happenin'

[LAWYER:]

The preceding song in \_\_\_\_\_ reflects the views of CBS and the CW network  
Ah, \_\_\_\_\_ it

[JIM:]

See? Don't be a lawyer!
