Where would you like to go on holiday?
How about a whale watching trip in Alaska! You can go to Alaska by car, plane, bus or train. You can sleep in a hotel near the sea. Then you must take a boat to go whale watching.

Whale watching is fun. You can take photos. Here are some of my photos. There were blue whales, brown seals and beautiful jellyfish. But stay away from the jellyfish! They can be dangerous. My favourite sea animals are the dolphins. They're the most intelligent sea animals. They swim in groups called pods.

You must bring a warm coat and a hat when you go whale watching!
