Hi Eduardo,

A

☐

I couldn't believe he was the same as the little kid from school with big, curly hair. I've attached a photo of him, you and me with Mark in the rugby team. Look how short my hair was back then! And you were a well-built young man – always the strongest member of the team! How much weight have you lost since then?

B

☐

I hadn't seen him since we were at school together. I couldn't believe how much he's changed!

C

☐

Anyway, how are things with you? Drop me a line when you can and let me know how you're getting on! Bye for now,

D

☐

How are you? I've been meaning to drop you a line for ages. Guess who I ran into the other day? Danny Hancock – from the school rugby team, remember?

E

☐

He's still really thin, with the same pale complexion, but he's much taller now. He's grown his hair, too, and dyed it pink! And he wears matching pink-tinted glasses! It's an interesting look! Check out this [link](#) to a photo from his Facebook page. He's really outgoing and chatty, too – he was quite shy at school, wasn't he? He's been working as a lecturer in Computer Science in the USA for a couple of years.
