Dear Granny,

Thank you for your letter which I **1**..... (receive) three days ago. It was really nice to hear from you.

I **2**..... (be) in New York for a month now, and although I **3**..... (study) English, I am having a great time here. I **4**..... (neg. study) very hard since I **5**..... (arrive) here because the course is quite easy and all the teachers **6**..... (be) fantastic. I **7**..... (already – meet) people from many different countries but there is one that has become really close.

I have bad news. A woman **8**..... (take) my suitcase by mistake at the airport. At that moment I **9**..... (neg notice) but when I **10**..... (get) to the hotel I **11**..... (realise) I **12**..... (neg. have) it. Someone else **13**..... (take) it! After I **14**..... (call) the airport, I **15**..... (receive) it at the hotel. They told me the woman **16**..... (return) it really fast but now I have to **17**..... (go) to the airport to take the one I took. It **18**..... (be) a difficult situation but the people at the airport were really good.

I **19**..... (live) in a hotel at the moment but we **20**..... (neg. have) a good time so I **21**..... (already – decide) to move and live with an American family. Next week I **22**..... (meet) them. If we get on well, I **23**..... (move) in. I'm really looking forward to that moment.

Write soon.

Love,
Paul
