

LET'S REDUCE STRESS

I. READ AND ANSWER THE SENTENCES:

Hi Laura! How are you?

Now, I'm living in Lima, with my parents. I study from home, for the quarantine... but I hate the lockdown, because I can't see my friends.

I feel stressed and bored. I don't know what to do. And you?

Katty

Dear Katty:

I'm fine. Thanks for writing. I feel calm that you answered. Do you feel stressed and bored? Ok, it's normal. But when I feel stressed, I do exercise or yoga, I listen my favorite music or I read a book. I feel relaxed. Try it!
