	Deckie Deckie 1 year ago Forgery is punishe only because aims at robbing the rich....for they are the ones that can afford the works....The forgers should get medals....	
	Al Carmona 2 years ago He's very good at copying different styles but I can easily tell the difference. He cannot copy the artist's souls.	
	 AtTheRanch 2 years ago A totally unoriginal painter :/	
	Paul Max 2 years ago He is a typical criminal. He has no guilt about committing crimes and finds someway to rationalize his actions and like most he blames his victims in some way. Most of the criminals I have seen interviewed blame their victims or some aspect of society and refuse to accept responsibility. They discust me. I am an artist myself and can see he has scuba decreed most of his talent.
