

# YOU CAN'T HOLD MY HEART

MONSTA X (몬스타엑스)

**1. Listen and choose the correct option:  
*can* or *can't*.**

Oh, \_\_\_\_\_ you stay awake?

One more hour, maybe this \_\_\_\_\_ change

Oh, \_\_\_\_\_ you numb the pain?

'Cause it runs deep in constant waves

How's it gonna **work** when we \_\_\_\_\_ admit it?

Pretend that we don't **know** now

Tried to drag it out, but we beared it livin'

We \_\_\_\_\_ let it go now

And there's nothing that I \_\_\_\_\_ say at all

You \_\_\_\_\_ hold my **heart** no more

And I'm waiting for your **arms** to fall

You \_\_\_\_\_ hold my heart no more

Yeah, there's nothing I \_\_\_\_\_ say at all

You \_\_\_\_\_ hold my heart no more

And I'm waiting for your arms to fall

You \_\_\_\_\_ hold my heart no more

We made a **city** sound

Had a **fire**, but it's dying down

We tried to **make** a **wave**

But we got lost and swept away

How's it gonna work when we \_\_\_\_\_ admit it?

Pretend that we don't know now

Tried to drag it out, but we beared it livin'

We \_\_\_\_\_ let it go now

Yeah, there's nothing I \_\_\_\_\_ say at all

You \_\_\_\_\_ hold my heart no more

And I'm waiting for your arms to fall

You \_\_\_\_\_ hold my heart no more

I know you're trying to hold on close

But it's slipping through your **fingertips**

I know you're trying to hold on close

Yeah, there's nothing I \_\_\_\_\_ say at all

You \_\_\_\_\_ hold my heart no more

And I'm waiting for your arms to fall

You \_\_\_\_\_ hold my heart no more

**2. Classify the highlighted words.**
