PAST TENSE - LEARNING THE VERBS

1. Read

We use the **past** to talk about things we did in the past. *(Usamos el pasado simple para hablar de cosas que hicimos en el pasado)*

In english, we have two types of verbs *(En inglés, tenemos dos tipos de verbos)*:

- Regular verbs: turn them to past by adding -ed. *(Los convertimos a pasado añadiendo -ed al final).* For example: *liked, played, started, cooked...*
- Irregular verbs: the form of the verb changes *(La forma del verbo cambia)* For example:

TRANSLATION	PRESENT	PAST
Comer	Eat	Ate
Beber	Drink	Drank
Ir	Go	Went
Tener/Haber	Have	Had
Hacer	Make	made
Poner	Put	Put
Ver	See	Saw

Fort the negative, we don't change the main verb. We use **didn't** instead. (Para la forma negativa, no cambiamos el verbo principal. En lugar de ello, utilizamos didn't). For example:

*I **didn't go** to the party - No fui a la fiesta*
*I **went** to the party - Fui a la fiesta*
