Three days ago, I went to the traditional market to buy some fruits and vegetables.

In that market, I saw an accident, there was a thief beaten by a lot of people. It was so terrible. I didn't want to take closer and see.

A few minutes later, police came and took him. I asked to the fruit seller what had happened actually and she said that the thief tried to steal someone's wallet but he was unlucky.

Someone saw him and shouted loudly and suddenly some people roughed him up hardly.

It was a pity event and I hoped it would never happen again.
