Yeah. They're made of a combination of fiberglass and plastic.

I see. And are these outer panels made of _____?

Well, there's a _____ around the passenger area.

Yeah, but what does it do for _____?

It's cheaper and _____. Lightweight material improves fuel efficiency.

No kidding? Plastic must be cheaper than _____.

No, they don't. Most of this car's body is _____.

They sure don't make them like they used to, do they?

Play again the audio and complete the sentences

Fiberglass	weighs less
Steel	Steel safety cage
Made of plastic	safety

- 1.-No, they don't. Most of this car's body is
- 2.-Plastic must be cheaper than
- 3.-It's cheaper and
- 4.-Yeah, but what does it do for ?
- 5.-Well, there's a around the passenger area.
- 6.-And are these outer panels made of?

Write true/false

- 1.-The car body is made mostly of steel
