Hi Kasia!

This is my school. It's in Chelwood (a village near Bath) and it's very small! It's great, but it's different from Danny's school. I go to a boarding school, so we sleep in the school. We get up at seven o'clock in the morning and get dressed. We have breakfast at school, too! We start lessons at eight o'clock. We have lunch at twelve o'clock in the canteen and then we have more lessons.

School finishes at four o'clock but after school we do our homework in the library. After that we have some free time and then we go to bed. I like my school. My friends and I share a room - it's so cool!
