

A) Read the text and answer the questions.**Fire at the Plaza**

"This is Bruce Ward for WNFD News. There was a serious fire at the Plaza Hotel this afternoon. It started at 3:10 in the kitchen on the first floor. When reporters arrived at the hotel at 3:25, the first and second floors were on fire, and smoke was coming from the third- and fourth-floor windows. People were standing at the windows and yelling for help, and fire-fighters were using ladders to rescue them. Some people had bad burns, and ambulances arrived to take them to the hospital. While fire-fighters were rescuing guests, one man jumped from a second-floor window and broke his leg. By 4:00 the fire was under control. The cause of the fire is still unknown."

A) Answer the following questions according to the passage above. (Each question is 4 points.)

- 1) What happened at the Plaza Hotel?
- 2) Where did the fire start?
- 3) How many floors were on fire?
