

Wonderwall by Oasis

Listen to the song and use these relative clauses to fill in the lyrics (use each twice):

that I would like to say to you

the one that saves me

And all the roads we have to walk are winding

And all the lights that lead us there are blinding

Today is gonna be the day

5- _____

That they're gonna throw it back to you

6- _____

By now you should've somehow

There are many things

Realized what you gotta do

7- _____

I don't believe that anybody

but I don't know how

Feels the way I do, about you now

I said maybe, you're gonna be

Backbeat, the word was on the street

8- _____

That the fire in your heart is out

And after all, you're my wonderwall

I'm sure you've heard it all before

Repeats...

But you never really had a doubt

I don't believe that anybody

Feels the way I do about you now

1- _____

2- _____

There are many things

3- _____

but I don't know how.

Because maybe, you're gonna be

4- _____

And after all, you're my wonderwall

Today was gonna be the day

But they'll never throw it back to you

By now you should've somehow

Realized what you're not to do

I don't believe that anybody

Feels the way I do, about you now
