Used to dream of being a millionaire, \_\_\_\_

But if I'm seeing my dreams \_\_\_\_

'Cause it's over

That just won't be fair

Darling

Rather be a poor woman \_\_\_\_

No food to eat

'Cause I don't want no pie \_\_\_\_

'Cause it's over

When you said goodbye!

*Chorus:*

All at once

I had it all

But it doesn't mean anything

Now that you're **all / gone**

From afar, seems I **have / had** it all

But it doesn't mean anything

Since you're gone

\_\_\_1\_ Now I see myself through different eyes

\_\_\_ I shoulda been there, I shoulda shoulda

\_\_\_ When it's over!

\_\_\_ Being alone will make you realize

\_\_\_ It's no surprise!

\_\_\_ All in love is fair I shoulda been there

*chorus*

I know I pushed you away

What can I do that would save our **love / bond**

Take **these / this** material things

They don't mean **anything / nothing**

It's you that I want

*Repeats chorus*

1) living on the street

2) without a care

3) if I have to cry

4) and you aren't there
