

Policy of Truth by Depeche Mode

1 - Listen and fill in the gaps with modals and the verbs you hear.

2 - Listen and choose the correct option

You had something to hide

_____ it, shouldn't you

Now you're not satisfied

With what you're being put through

It's just time to pay the **pay / price**

For not listening to advice

And deciding in your youth

On the policy of truth

Things could be so **difficult / different** now

It used to be so civilised

You will always wonder how

It _____ if you'd only lied

It's too late to change events

It's time to face the **consequence / problem**

For delivering the **proof / roof**

In the policy of truth

Never again

Is what you swore

The time **after / before**

Never again

Is what you swore

The time **after / before**

Now you're standing there **tongue / mouth** tied

You'd better learn your lesson well

Hide what you have to hide

And tell **what / whichever** you have to tell

You'll see your problems multiplied

If you continually **advice / decide**

To faithfully pursue

The policy of truth

Never again

Is what you swore

The time before

Never again

Is what you swore

The time before
