## Fiction and Non-Fiction

If something is *real* or it *can happen*, it is **non-fiction**.

If something is *not real*, or if it is *make believe*, it is **fiction**.

Below are some things that are fiction and non-fiction.

**Instructions:** Circle the word “**non-fiction**” if it is real or can happen. Circle the word “**fiction**” if it is not real and more make believe.
