

working hard  
even when I  
feel  
frustrated

respecting  
other  
people's  
space

hurting  
people when  
I'm mad

taking  
deep  
breaths  
when I'm  
angry

appropriately  
fixing my  
privates

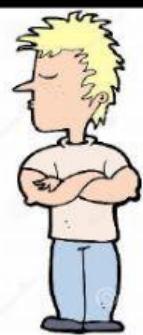

yelling and  
screaming  
when I'm  
upset

being silly  
instead of  
doing my  
work

refusing to  
do your  
work

pouting  
when you  
don't get  
your way

using a  
tissue
