

Kids and their breakfast

I have a glass of juice for breakfast. My favourite is apple juice, but we mostly have orange juice, because all the others in my family like orange juice. I have muesli with nuts, milk and honey.

Bernie

I always drink hot chocolate in the morning. Sometimes I have three cups of hot chocolate. I eat some toast and baked beans or sausages. I love that.

Lewis

I eat cornflakes for breakfast. With milk and sugar. I love sugar on my cornflakes. Mum says a lot of sugar is not good for my teeth. When she isn't watching I sometimes put lots of sugar on my cornflakes.

I drink tea in the morning, with milk but no sugar. I eat toast with butter and jam. I love strawberry jam. When I have a lot of time, I eat ham and eggs too. I think a good breakfast is important for you.

Andy

Betty

I only have a cup of coffee in the morning. I cannot eat anything. My mum says that is not good for me. Only on Sundays I eat rolls with butter and honey and drink two cups of coffee. Then my mum is happy with me. I never drink tea or milk for breakfast.
