She just [] to be, beautiful

She [] , unnoticed she knows, no limits

She [] , attention she praises, an image

She [] to be, sculpted by the sculptor.

Oh, she don't see, the light that's shining

Deeper than the eyes can find it

Maybe we have made her blind So

she [] to cover up her pain And

cut her woes away

'Cause covergirls don't []

After their face is made

But there's a hope that's waiting for you in the dark

You should know you're beautiful just the way you are

And you don't have to change a thing

The world could change its heart

No scars to your beautiful

We're stars and we're beautiful

Oh-oh-oh-oh x2

And you don't have to change a thing

The world could [] its heart

No scars to your beautiful

We're stars and we're beautiful

She has dreams to be an envy, so she's starving

You know, covergirls [] nothing

She says, beauty is pain and there's beauty in

everything

What's a little bit of hunger?

I could go a little while longer, she [] away.

She don't see her perfect

She don't understand she's worth it

Or that beauty [] deeper than the

surface Oh-oh, oh-oh

- prays -craves - goes - wants
- tries - cry - change - eat -
fades - goes -
