Summer loving _____ me a blast

Summer loving _____ so fast

I _____ a girl crazy for me

_____ a boy cute as can be

Summer days drifting away

To, oh, oh, the summer nights

Well-a well-a well-a, huh

Tell me more, tell me more

Did you get very far?

Tell me more, tell me more

Like does he have a car?

She _____ by me, she _____ a cramp

He _____ by me, _____ my suit damp

I _____ her life, she nearly _____

Summer sun, something's begun

But, oh, oh, the summer nights

Well-a well-a well-a huh

Tell me more, tell me more

Was it love at first sight?

Tell me more, tell me more

Did she put a fight?

Took her bowling in the Arcade

We _____ strolling, _____ lemonade

We _____ out under the dock

We _____ up 'till ten o'clock

Summer fling, don't mean a thing

But,...
