Summer loving _____ me a blast

Summer sun, something's begun

Summer loving _____ so fast

But, oh, oh, the summer nights

I _____ a girl crazy for me

Well-a well-a well-a huh

_____ a boy cute as can be

Tell me more, tell me more

Summer days drifting away

Was it love at first sight?

To, oh, oh, the summer nights

Tell me more, tell me more

Well-a well-a well-a, huh

Did she put a fight?

Tell me more, tell me more

Took her bowling in the Arcade

Did you get very far?

We _____ strolling, _____ lemonade

Tell me more, tell me more

We _____ out under the dock

Like does he have a car?

We _____ up 'till ten o'clock

She _____ by me, she _____ a cramp

Summer fling, don't mean a thing

He _____ by me, _____ my suit damp

But,...

I _____ her life, she nearly _____
