

A Castle in the Sand

Read the story.

Kiki and Chloe are on the beach.

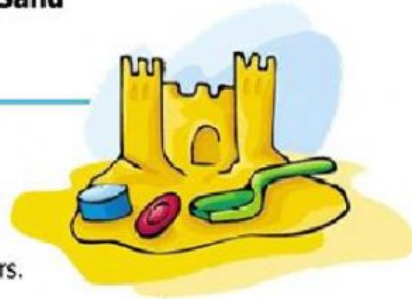

They love to build sand castles together.

Chloe packs wet sand into buckets to make tall towers.

Kiki uses a stick to carve out windows and doors.

Together, the girls dig a tunnel for a moat around their castle.

They both hope the ocean will not wash away their castle!

Read the sentences. Draw a line to connect each sentence to the character it describes. If the sentence describes both characters, draw lines to both characters.

In the story, this character is on the beach.

She packs sand into buckets to make towers.

This character digs a moat around the castle.

She makes windows and doors with a stick.

She is building a sand castle with her friend.
