

Well, \_\_\_\_\_ for you, I guess you moved on really easily  
You found a new girl and it only took a couple weeks  
Remember when you said that you wanted to give me the  
\_\_\_\_\_?

And good for you, I guess that you've been workin' on yourself  
I guess that therapist I found for you, she really helped  
Now you can be a better man for your brand new \_\_\_\_\_

Well, good for you, you look happy and healthy, not me  
If you ever cared to \_\_\_\_\_  
Good for you, you're doin' great out there without me, baby  
God, I wish that I could do that!  
I've lost my mind, I've spent the night  
Crying on the floor of my \_\_\_\_\_  
But you're so unaffected, I really don't get it  
But I guess good for you

Well, good for you, I guess you're gettin' everything you want  
You bought a new \_\_\_\_\_ and your career's really takin' off (ah)  
It's like we never even happened  
Baby, what the f\*\*\* is up with that?

And good for you, it's like you never even met me  
\_\_\_\_\_ when you swore to God I was the only  
Person who ever got you?  
Well, screw that and screw you  
You will never have to hurt the way you know that I do

Well, good for you, you look \_\_\_\_\_ and healthy, not me  
If you ever cared to ask  
Good for you, you're doin' great out there without me, baby  
God, I wish that I could do that  
I've lost my mind, I've spent the night  
\_\_\_\_\_ on the floor of my bathroom  
But you're so unaffected, I really don't get it  
But I guess good for you

Maybe I'm too emotional  
\_\_\_\_\_ your apathy's like a wound in salt  
Maybe I'm too emotional  
Or maybe you never cared at all  
Maybe I'm too emotional  
Your apathy is like a wound in salt  
\_\_\_\_\_ I'm too emotional  
Or maybe you never cared at all

Well, good for you, you look happy and healthy, not me  
If you ever cared to ask  
Good for you, you're doin' \_\_\_\_\_ out there without me, baby  
Like a damn sociopath  
I've lost my mind, I've spent the night  
Crying on the floor of my bathroom  
But you're so unaffected, I really don't get it  
But I guess good for you

Well, good for you, I guess you moved on really easily
