

Right from the _____
You were a thief, you stole my _____
And I, your willing victim
I let you see the parts of me, that weren't all that pretty
And with every touch you fixed _____
Now you've been talking in your sleep oh oh
Things you _____ say to me oh oh
Tell me that you've had enough
Of our love, our love

Just give me a _____, just a little bit's enough
Just a second we're not broken just bent, and we can learn to love
_____ **It's in the _____, it's been written in the scars**
on our hearts
We're not broken just bent, and we can learn to love _____

I'm sorry I don't _____
Where all of this is coming from
I thought that we were fine (oh we had everything)
Your head is _____ wild again
My dear we still have _____
And it's all in your mind (yeah but this is happenin')
You've been having real bad _____ oh oh
You used to lie so close to me oh oh
There's nothing more than empty sheets between our love, our love

Oh tear ducts and rust
I'll fix it for us
We're _____ dust, but our love's enough
You're holding it in
You're pouring a _____
No nothing is as bad as it seems
We'll come _____

CHORUS

CHORUS

Oh we can learn to love again
Oh we can learn to love again
Oh that we're not broken just bent and we can learn to love again
