IF/UNLESS

Read the sentences and choose if or unless.

- 1. If / Unless we walk more, there will be less air pollution.
- 2. If / Unless we conserve water, there may soon be shortages.
- 3. If / Unless we protect the animals, many will become extinct.
- 4. If / Unless we don't stop deforestation, we will lose the rainforest.
- 5. If / Unless global warming continues, we will lose glaciers.
- 6. If / Unless we don't stop poaching, we will lose more tigers.
- 7. If / Unless mining companies don't stop polluting rivers, we will never get them cleaned up.
- 8. If / Unless we reduce carbon emissions, climate change will go on.
- If / Unless urbanization is controlled, desertification will continue to get worse.
- 10. If / Unless we don't reduce the use of fossil fuels, global warming will continue to be a problem.
