

## Count On Me- Bruno Mars

If you ever find yourself stuck in the middle of the road,  
I'll sail the world to find you  
If you ever find yourself lost and you can't see,  
I'll be the light to  
Find out what we're made of  
When we are called to help our friends in need  
You can count on me like  
I'll  
And I know when I need it I can count on you like four three two  
You'll  
'Cause that's what friends are supposed to do, oh yeah  
Whoa, whoa  
Oh, oh  
Yeah, yeah  
If you tossin' and you're turnin' and you just can't fall asleep  
I'll  
Beside you  
And if you ever forget how much you really mean to me  
Everyday I will  
-  
Ooh  
Find out what we're made of  
When we are called to help our friends in need  
You can count on me  
I'll  
And I know when I need it I can count on you like four three two  
You'll  
'Cause that's what friends are supposed to do, oh yeah

Oh, oh

Yeah, yeah

You'll always have when you cry

I'll never let go

Never say

You know you can

Count on me like

I'll

And I know when I need it I can count on you like four three two

And you'll

'Cause that's what friends are supposed to do, oh yeah

Oh, oh

You can 'cause I can count on you
