

Flashdance (Michael Sembello) - Maniac

Just a _____ town girl
On a Saturday night
Looking for the _____ of her life
In the real-time world no one sees her at all
They all _____ she's crazy
Locking _____ to the beat of her heart
Changing movement into light
She has _____ into the danger zone
When the dancer becomes a dance

It can cut you like a _____
If the _____ becomes the fire
On a wire between will and what will be

She's a maniac, maniac on the _____
And she's dancing like she's never _____ before
She's a maniac, maniac on the floor
And she's _____ like she's never danced before

On the ice-_____ little line of insanity

Is a place most never see
It's a hard-won place of _____
Touch it, but can't hold it
You work all your life for that moment in time
It could come or pass you by
It's a push of the world
But there's always a chance
If the _____ stays the night
There's a cold connective heat
_____, stretching for defeat
Never stopping with her head against the _____

She's a maniac, maniac, I sure know
And she's dancing like she's never danced before
She's a maniac, maniac, I sure know
And she's dancing like she's never danced before

It _____ cut you like a knife
If the gift becomes the fire
On a _____ between will and what will be
She's a maniac, maniac, I sure know
And she's dancing like she's never danced before
She's a maniac, maniac, I sure know
And she's dancing like she's never danced before
