

Please Forgive Me

Bryan Adams

It still feels like our first night together
Feels like the first kiss
It's getting better baby
No one can better this
Still holding on
You're still the one
First time our eyes met
Same feeling I get
Only feels much stronger
I want to love you longer
Does you still turn the fire on?

So if you're feeling lonely, don't
You're the only one I'll ever want
I only want to make it good
So if I love you, a little more than I should

Still feels like our best times are together
Feels like the first touch
We're still getting closer baby
Can't get closer enough

Please forgive me, I know
not what I do
Please forgive me, I can't stop
loving you
Don't deny me, this pain
I'm going through
Please forgive me, if I need you
like I do
Please believe me, every word I
say is true
Please forgive me, I can't stop
loving you

Still holding on
You're still number one
I remember the smell of your skin
I remember everything
I remember all your moves
I remember you yeah
I remember the nights, you know I still do

So if you're your feeling lonely, don't doesn't
You're the only one I'll ever want
I only want to make it good
So if I love you a little more than I should...

The one thing I'm sure of
Is the way we make makes love
The one thing I depend depends on
Is for us to stay strong
With every word and every breath I'm praying
That's why I'm saying,

Please forgive me...

Please forgive me, I know knows
not what I do
Please forgive me, I can't stop
loving you
Don't doesn't deny me, this pain I'm
going through
Please forgive me, if I need needs
you like I do
Please believe me, every word I say
says is true
Please forgive me, I can't stop
loving you
