WhatsApp was started in 2009 by two ex-Yahoo staffs,

Jan Koum and Brian Acton. It is the cross-platform mobile

messaging app that allows you in exchange messages with

colleagues , friends or family members. Currently, it have an

estimated 1 billion monthly active user worldwide. To communicate

with someone, you must have WhatsApp install in you handset.

It has now become the most popular and trendy gadget where

people won't leave home without them. Its text, voice and video

messages have simplified our lives in various ways by provide fast

access so sometimes make us smile. It spreads awareness about

current events inside and outside a country via their attachments or

forwarded messages. The use of WhatsApp should be balance

so as not to neglect our prime duty towards our society and family.
