

### Higher Power (Coldplay)

Sometimes I just can't take it. Sometimes I just can't take it. And it isn't **alright/ bright**  
I'm not going to make it. And I think my shoe is **dead/ untied**  
I'm like a broken record. I'm like a broken record. And I'm not playing right  
Just wanna go up higher, **can we/ shall we?**. Till you tell me I'm a heavenly **soul/ photo**

Hold tight (hold tight). Come on (come on). Come on (come on). Woah  
Come on (come on). Come on (come on). Don't let go. Hold tight (hold tight)  
Hold tight (hold tight). Woah. It's alright, it's alright. You said  
I've got my hands up, shaking just to let you know

**That you've got a higher power**  
**Got me singing/ moving every second**  
**Dancing every day/ hour**  
Oh, yeah  
**You've got a higher power**  
**And you're really someone**  
**I want to know/ love**  
Oh!

This boy is electric (ooh). This boy is electric and you're **shining/ sparkling** like  
The universe connected. And I'm buzzing. Night after night after night  
This joy is electric. This joy is electric and you're circuiting through  
I'm so **glad/ happy** that I'm alive. Happy I'm alive at the same **time/ moment** as you

### Chorus

You've got Yeah you've got a higher You've got Oh You've got

My hands up, shaking just to let you know that

### Chorus

You're once in a lifetime  
I'm going a **thousand/ million** miles an hour  
When for so long  
I've been down on my knees  
Then your love song  
**Held/ Saved** me over and over  
For so long  
I've been down on my knees  
'Till your love song  
Floats me on
