

A. Listen to the audio and drag the verbs into the right place.

Last month my brother Sam started to work in a farm located 3 kms away from the city. He was very happy with his new job. He the job was easy, but it wasn't. The first day in the morning, he the front garden then, he the plants, and the land. In the afternoon, he the plantations, he some fruits from the trees, and many eggs. On the second day, he started at 6:00 am. He the cows, he the sheep and some of them. The tractor had a mechanical problem, so, he the tractor and the land for future plantations. He was really tired, but he was very happy with his new job.
