18 **A) Listen, read the passage and answer the questions. Write true (T) or false (F).**

Hi, my name is Helen. I am thirteen years old. I live in London. I am a short girl with blonde, wavy long hair and green eyes. My school is very close to my house so I never take the bus to school. I go to school on foot or on my pink bicycle. It is a present from my father. He is a very generous man. He always buys presents for me. He is very thoughtful. I love my daddy. He is an easy going man. My mother is stricter than him and I think she is a stubborn woman. But it is ok. I love both of them. I am a 7ᵗʰ-grade student. I think I am a hard-working and responsible student. I always study hard and do my homework. Maths, English and science are my favourite lessons. Generally, I am not late for my classes. I wake up very early and I can say that I am a punctual student. My friends love me very much. Almost every weekend, we go to the cinema and a café to eat and drink something. I am sociable and talkative. When I am with my friends, we talk about our lessons, school and friends. Gabrielle is my best friend. She lives in my neighbourhood. She is so lovely, friendly and kind. We have got something in common. That's why I can trust her. I can share my secrets with her.

F   1. Helen is 12.

     2. She takes the bus to school.

     3. She doesn't wake up late.

     4. Helen is not a social student.

     5. Every weekend, her father takes her to the cinema.

     6. Her close friend is Gabrielle.
