Credit balance in passbook

Credit balance in cash book

Debit balance in cash book

None of these

Favourable bank balance means:

Credit balance in the cash book

Credit balance in passbook

Debit balance in the cash book

Both (b) and (c)

A bank reconciliation statement is mainly prepared for:

Reconcile the cash balance of the cash book.

Reconcile the difference between the bank balance shown by the cash book and bank passbook

Both (a) and (b)

None of these

2. True, or False:

Passbook is the statement of account of the customer maintained by the bank.

A business firm periodically prepares a bank reconciliation statement to reconcile the bank balance as per the cash book with the passbook as these two show different balances for various reasons.

Cheques issued but not presented for payment will reduce the balance as per the passbook.

Cheques deposited but not collected will result in increasing the balance of the cash book when compared to passbook.
