

## SNAP OUT OF IT

Arctic Monkeys

\_\_\_\_\_ happening in your world?  
\_\_\_\_\_ up to?

I heard that you fell in love

Or near enough

I gotta tell you the truth:

I wanna grab both your shoulders and shake, baby  
Snap out of it (snap out of it)

I get the feeling I left it too late, but baby

Snap out of it (snap out of it)

If that watch don't \_\_\_\_\_ to swing

Or the fat lady fancies having a sing

I'll be here waiting ever so patiently for you to

Snap out of it

\_\_\_\_\_ isn't for everyone

Is forever for you?

It sounds like settling **down** or giving up

But it don't sound much like you, girl

I want to grab both your shoulders and shake, baby  
Snap out of it (snap out of it)

I get the \_\_\_\_\_ I left it too late, but, baby  
Snap out of it (snap out of it)

If that \_\_\_\_\_ don't continue to swing  
Or the fat lady fancies having a sing

I'll be here waiting ever so patiently for you to  
Snap out of it

Under a spell, you're hypnotized (oooh)

Darling, how \_\_\_\_\_ you be so blind? (Snap out of it)

Under a spell, you're hypnotized (oooh)

Darling, how could you be so blind?

I want to grab both your shoulders and shake, baby  
Snap out of it (snap out of it)

I get the feeling I left it too late, but, baby

Snap out of it (snap out of it)

If that watch don't continue to swing

Or the fat lady fancies having a sing

I'll be here waiting ever so patiently for you to

Snap out of it
