

Comprehension Test

Read the passage below and answer the questions.

Rainbow

A rainbow is made of 7 colours. Rainbows can also be up at night. It can also be a circle. The first colour in a rainbow is violet and the last colour is red.

1. How many colours are on a rainbow?

2. Select the shape that a rainbow can make?

3. Select the first colour of the rainbow.

Match the sentence to the correct picture.

Long ago, there were many dinosaurs.	 A cartoon illustration of a young girl with brown hair, wearing a pink sweater, sitting at a wooden table. She has her hands clasped in prayer. On the table is a plate of food, including a sandwich, a bowl of soup, and some fruit.
Benny is a race car driver.	 A cartoon illustration of a zoo enclosure. Two monkeys are swinging on a tree branch inside a wire mesh fence. Several people are visible in the background, watching the monkeys.
Mary always prays before having lunch.	 A cartoon illustration of a dentist's office. A female dentist with purple hair and glasses is examining a young boy's teeth with a mirror. The boy is sitting in a dental chair, and there is a plate of food on a table next to him.
The monkeys are swinging on the trees.	 A cartoon illustration of a man wearing a racing helmet and goggles, driving a red open-wheel race car. The car has the number 5 on its side and is emitting smoke from its exhaust pipe.
The dentist can help us to take care of our teeth.	 A cartoon illustration of a large, brown T-Rex dinosaur standing on its hind legs, with its mouth wide open, showing sharp teeth.
