Pets and Animals

Pets and animals
Wild or tame (טאולפים / מרוֹמָשָׁה),
I love all animals
To me they're all the same.
I like wild animals
So I visit the zoo.
There are some tigers and lions
And an elephant, too.
There are some snakes, an iguana,
And the monkeys are cool!
There's a hippo and a crocodile
All swimming in the pool.
I like tame (טאולפים / מרוֹמָשָׁה) animals.
I have pets in my house
A black cat, some fish –
And a little brown mouse.
I have a pretty white rabbit
And a big, friendly dog.
They all live together
With my little green frog.
