Hi Carol,

How's your new school? Hope you're still enjoying it. I've had a lot of exams recently so I've spent most of my time revising. I (1) 'm allowed / mustn't to use the computers at school to revise during breaks so that helps. The science test was really hard and I was sure I'd failed but I (2) didn't have to / needn't have worried. I got top marks! Anyway, did I tell you I'm going to New York with my mum? We've decided to go in December for a shopping trip. I'm really looking forward to it, but I (3) mustn't / needn't spend too much because I'm going away again on a school trip in March and I have to save up for that. I'll need some new clothes for that trip so I (4) should / ought look for some while we're in New York. I will (5) have to / must do lots of extra chores around the house and maybe even find a part-time job, but it will be worth it!

Hope to see you soon.

Nancy
