

Are you sick and tired of working \_\_\_\_\_ and night?

Do you like to look at the world in shades of black and white?

Your \_\_\_\_\_ can still be \_\_\_\_\_ that you were dreaming of.

Just take a look around you and see all the \_\_\_\_\_ of love.

You wake up every \_\_\_\_\_ and go through the same old grind.

You don't know how the light at the \_\_\_\_\_ could be so unkind.

If blue is the color that you choose when the road is rough,

you know you really need to believe in the \_\_\_\_\_. (CHORUS)

The colors of love are as beautiful as a \_\_\_\_\_.

The colors of love shine on everyone in the world.

Are negative thoughts and

\_\_\_\_\_ painful to express?

They're just tiny drops in the ocean of happiness.

And these are the \_\_\_\_\_ you must learn to rise above.

Your whole life is a \_\_\_\_\_ you paint with the \_\_\_\_\_. (CHORUS).
