Dear Adam,

How are you? I hope you are recovering from your fever. I went to the _____ (1) in Taman Merbuk yesterday. It was the last day of the sale so I did not want to miss it. I grabbed another book on myths and legends entited '_____ (2)'. It was on clearance at only _____ (3). It is worth the price because it has _____ (4) and two hundred and thirty glossy pages. The illustrations are very _____ (5) and attractive.

When I have finished reading it, I will lend it to you. Till then, take care.

Your friend,
Chun Jit
